OFFICE OF THE MAYOR
CITY OF DURHAM

April 11, 2022

Dear National Alumni Association of Hillside High School:

On behalf of the Durham City Council, I would like to extend to each of you a hearty greeting. I am happy to join you in celebrating the Centennial Anniversary of the naming of Hillside High School from May 14-22, 2022. This is such a special milestone.

As you come together to reminisce about the school's history, I hope that this celebration will be a most memorable and happy occasion for all. As you know, Hillside holds a special place in my own heart as I'm filled with memories from my formative years spent there. I will forever be a Hornet.

Special activities have been planned to celebrate this occasion for the Hillside High School alumni who continue to be good stewards of the teachings of their forefathers/mothers regarding standards and expectations of excellence, independence, and love for the City of Durham.

Sincerely,

Elaine M. O'Neal
Mayor

Dear Hillside High Alumni and Friends,

It is because of your support, engagement, and activism that Hillside High School remains an important institution in the Durham community.

If we continue to stand together focused on the success of students who matriculate through the halls of Hillside, we will realize another 100 years being celebrated by future generations. Thank you for being passionate advocates and amazing supporters of THE HILLSIDE HIGH SCHOOL.

Sincerely,

William Logan

THE HISTORY OF HILLSIDE

The largest Black schools in Durham prior to the building of Whitted School in 1887 were the Ledger Public School in Hayti, under the supervision of Miss Ledger, and the Hack Road Public School, where James Whitted, "a highly respected man of mixed races (Black and Native American) who had managed to educate himself," was superintendent.

In 1887, the Whitted School existed as the James A. Whitted High School, in honor of its first principal. The school, which was located on the corner of Blackwell and Pettigrew Streets, burned in 1888 and was relocated in a Bull Factory warehouse. In 1890, 161 pupils attended the school's six grades. Whitted taught the upper grades, William G. Pearson taught the middle grades, and two female teachers taught the first and second grades.

The first class graduated from the ninth grade of Whitted School in 1896. Also in 1896, a permanent brick building was constructed on Proctor and Ramsey Streets for Black children at a cost of \$8000. In 1899, the building was destroyed and reconstructed, but students were housed in churches during that school year. In 1901, another Black school, West End, was built. At this time, 707 students were enrolled in the Durham Black graded schools. In 1909, the East End School was constructed.

Only nine grades existed at Whitted from 1896 until 1911, when a tenth grade was added. The 11th grade was added in 1918. From 1919 until 1920, first graders were housed in "dog houses," which were temporary shacks near the brick school building.

The first classes at Whitted included manual training, domestic science and drawing. In 1912, the emphasis was on vocational education and good citizenship in the Black schools. Classes taught were barbering, laundry work, cooking, carpentry, masonry, shoemaking and bricklaying. A laundry department was built in the basement of Whitted School, "to teach laundering as a possible vocation for Negro girls." In 1917, shoe repair and agricultural courses were added.

The Whitted School, which was in poor condition, burned in 1921, and students had to attend double sessions at East End and West End Schools. John Sprunt Hill, a leading Durham citizen, donated land for a new building on Pine and Umstead Streets. The name Hillside dates from 1922 when students moved to the new building, which was up the hill from Hillside Park, a public city-owned Black park and in honor of John Sprunt Hill who had donated the land.

The "Park" was dropped from the name Hillside High School in 1943. In 1950, because of overcrowding in the high school, the Hillside High School students moved into what was then called Whitted Junior High School, located near the campus of North Carolina Central University (NCCU) on Concord Street. The Whitted Junior High School students moved into the old Hillside Park High School building closer to downtown Durham. The schools' buildings also swapped names. Hillside High School at this time only enrolled 10th, 11th, and 12th grades and Whitted Junior High School enrolled 7th, 8th, and 9th grades. The class of 1944 was the first to graduate under the 12-year system.

Additions of an auditorium, cafeteria, auto shop, classroom, and gymnasium were made to accommodate a large number of transferred high school students in 1949. A classroom annex was added to the Hillside building in 1962. In 1966, a new library was added. A new band room was constructed in 1975. Hillside was relocated to a brand new state-of-the-art building on Fayetteville Street in 1995.

Hillside has come a long way since it first existed as a small grade school in the 1880's. It is the oldest of five remaining historically Black high schools still operating in North Carolina out of more than 300 such schools in existence during segregation.

BARBARA FIELDS HIBBERT

BARBARA FIELDS HIBBERT, born in Durham, North Carolina, is the eldest of four children of the late Odell and Minerva Trice Fields. She attended Durham Public Schools and was a graduate of Hillside High School in 1959 and North Carolina College in 1963 (now North Carolina Central University) where she earned a BS Degree in Commerce with a minor in Library Science. While a student at Hillside and NCC, she participated in Durham's civil rights movement.

After moving to New York, Barbara's first job was as an administrator with the Council on Student Travel, an international education exchange organization, located in the Church Center for the United Nations. The Council's mission was to provide opportunities for university students to choose to travel via air and/or ship to participate in work/study/tour programs in Europe and in the United States. Next, she worked at Columbia University in the Department of Mathematical Statistics with academicians who collaborated with corporate research scientists managing and distributing scientific reports. As a result of work done at Columbia, an opportunity to manage the library and publications at the IBM New York Scientific Center led to a long and fulfilling career with IBM. At IBM, Barbara became an accomplished business management professional with cross-industry experience working in management, education, marketing, information systems and organizational change. Barbara received numerous recognitions including executive awards for leadership and helping to launch innovative products and services companywide. While at IBM, Barbara was most proud of earning the Aristotle 2000 Team Leader of the Year Award, an IBM Community Service Award, for leading the most successful mentoring team. Teams consisted of a student, student's parents, guidance counselor, IBM Aristotle 2000 Program Representative, peer mentor and team leader.

After retirement from IBM, Barbara established Hibbert Associates to assist large corporations and small businesses improve leadership development, succession, career and retention development planning and overall business effectiveness. She worked with the Entrepreneurial Center in Purchase, New York providing training and consulting services to numerous clients. Barbara was an invited speaker at business and technical conferences serving industry leaders. A life changing medical event occurred while she was on assignment at Blue Cross of South Carolina in 2003. She had an acute kidney failure, that resulted in a remarkable ending. She was blessed with a living donor, Pattie Baskette (an NCCU Eagle), after being on dialysis for several months. After recuperating, the two happily gave organ donor presentations to groups. Barbara has shared her personal experiences of the Durham Sit-Ins and the significance of Black Wall Street during a virtual class Osher Lifelong Learning Institute (OLLI) at Duke University conducted by Dr. Linda Hubbard Curtis, "The Black Experience in America." Barbara shared these experiences with students at Burton Magnet Elementary School where she participates in reading programs.

Barbara is a member of White Rock Baptist Church, a missionary and Sheepfold member; Silver Member, NAACP; Alumna Member, Triangle Park (NC) Chapter, The Links, Incorporated; Life Member and Golden Eagle; National Alumni Association of NCCU; At Large and Silver Member, National Alumni Association of Hillside High School and Member of the HHS Class of 1959. Past affiliations include the United Negro College Fund Durham (NC) Steering Committee; Board Member, the African American Advisory Group (AAG) of the Neuberger Museum of Art, State University of New York at Purchase, NY; and the Westchester Arts Council Steering Committee. She also served as President, Hudson Valley (NY) Chapter of NCCU Alumni Association; 1st Vice President, Greater Hudson Valley (NY) Chapter, The Links, Incorporated and 1st Vice President of the Lower Fairfield (CT) Chapter of the National Coalition of 100 Black Women.

Barbara is the very proud mother of Donna Hibbert Jackson and Lisa Hibbert and grandmother of Daniel Joshua Hibbert, Leah Simpson and Nala Jackson. Her siblings are Paulette Fields Singletary, Ronald A. Fields and Linda Fields Fuller and many nieces, nephews and cousins. Her personal and business travels have taken her throughout the United States, Canada, Europe, South Africa, and South America. She enjoys the arts and values spending time with family and good friends.

THE LAWRENCE & ARTELIA PERRY SCHOLARSHIP FUND

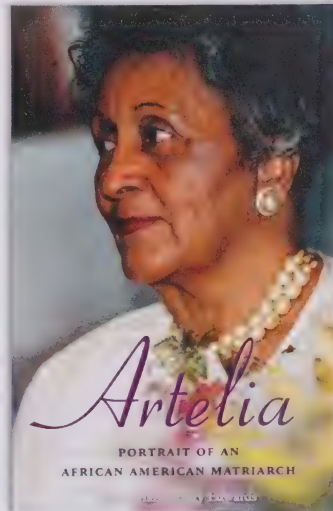

JOINS ALL HILLSIDE HIGH SCHOOL ALUMNI In CELEBRATION OF THE CENTENNIAL OF HILLSIDE HIGH SCHOOL

As set forth in the Articles of Incorporation and Bylaws, the LAWRENCE & ARTELIA PERRY SCHOLARSHIP FUND (L&APSF) supports graduates of public schools in Durham County who attend:
Bennett College (Greensboro, NC)
Livingstone College (Salisbury, NC)
North Carolina Central University (Durham, NC)

To date, the L&APSF has awarded more than \$91,000.00 to students in Durham since in founding in 2011. Most of the award recipients were graduates of Hillside High School.

Lawrence "Larry" Perry, one of the namesakes of the L&APSF, was a 1939 graduate of Hillside High School, and a lead tackle and guard of the non-defeated Hillside Hornet's football team. Nine of Lawrence & Artelia's 16 offspring are graduates of Hillside High School.

Artelia: Portrait of an African American Matriarch, the biography of the other namesake, Artelia Marsh Perry, was written to encourage African American women in their quest to be effective wives and mothers, develop their own career interests, and serve their communities; and to provide financial support for the Lawrence & Artelia Perry Scholarship Fund.

GEORGE A. SCOTT

George Alfred Scott is a 1957 graduate of Hillside High School. He grew up in the North Durham section of town as a next door neighbor of John Henry Gattis, and participated in the renowned "*Mr. G's Swing School*" each year during his tenure at Hillside. After graduation, Mr. Scott attended North Carolina A&T State University where he received a Bachelor of Science degree in Physics, with a minor in Mathematics. Upon graduation from A&T, Mr. Scott entered the teaching profession for six years working in Harnett County and Alamance County. While fulfilling his teaching assignments, he returned to his beloved Hillside to assist Mr. Gattis with technical and production duties for *Swing School*.

Mr. Scott left the teaching profession to become a computer programmer/system analyst for IBM, where he served for 26 years. After retirement he has continued to lead real estate development projects and manage the family's rental properties. An active member of his alumni class, he has served as president, vice president, treasurer and reunion coordinator for the class of 1957. He partnered with other local class members to produce some of the most memorable class reunions over the years. His love for Hillside and *Swing School*, led him to embark upon a new venture in 2018.

Working with four members of the Hillside High School Alumni Association, Mr. Scott was pivotal in founding SS Renaissance, Inc., a non-profit organization to support the performing arts at Hillside. The group was instrumental in facilitating a number of activities, including the naming of the Hillside High School auditorium for Mr. John H. Gattis and Mr. Wendell Tabb, and the stage for Mr. Wendell Tabb. The group was influential in returning "*Swing School*" to the Hillside stage after many years, and made a significant financial contribution to the performing arts department.

Mr. Scott's impact extends beyond Hillside High. He is a member of Omega Psi Phi Fraternity, and has won several awards including the Distinguished Service Award from the John Avery Boys & Girls Club. He is a long-time member of Covenant Presbyterian Church, where he is an Elder, two-time Man of the Year award recipient, and Chair of the Trustee Board. Mr. Scott is married to Constance Black Scott, has two children Brian (NC A&T 1989) and Kimberlee (Spelman College 1992), and is adored by his grandson Maurice and his dog Molly.

Congratulations!

George A. Scott

You've always been a Hall of Famer
in our eyes.

George A. Scott Ellis Smith

ELLIS H. SMITH

1939 - 2020

Ellis Henderson Smith (1939-2020) was the third of eight sons born to the late William and Bessie Smith from the West End of Durham. After graduating from Hillside High School in 1957 he obtained his BA in Art Education and MA in Educational Media both from North Carolina College (now North Carolina Central University).

While a student at NCCU – Ellis was initiated into the Tau Psi Chapter of Omega Psi Phi Fraternity, Inc. Spring 1958. Ellis served as the Chair of the Omega Talent Hunt for several years. He was also named *Omega Man of the Year*.

Ellis began his teaching career at JA Whitted Junior High School as the Art Teacher – he was awarded the prestigious honor of Teacher of the Year in 1967-68. He furthered his career by accepting a position at Mercer County Community College in Trenton, NJ as Instructor/Coordinator of Media Services. His responsibilities included reorganizing and expanding the utilization of the media center by faculty and staff. His personalized touches to the program resulted in a 20% usage increase over the previous year. He was then promoted to Assistant Director of Media Services. Ellis and family remained in Trenton until their return to his home state in 1973.

Ellis returned to NC as the Director of Educational Media at Elizabeth City State University. He served in this role until 1978. At this time, Ellis was promoted to the position of Assistant to the Chancellor at ECSU, Dr. Marion Thorpe. He served in that role until the Chancellor's death in 1983.

In 1984, Ellis was named Director of Development at his beloved alma mater, North Carolina Central University. Once moving his family back to Durham in 1985, Ellis was adamant that his two younger children (Todd, HHS 1988 and Nicole, HHS 1990) attend the famous Hillside High School that he and his siblings so loved (even though they did not live in the school district). His first grandchild, Trecia Smith followed, whom he and his wife, Enid, legally adopted followed the family legacy graduated from HHS Class in 2014. His wife, Enid served as a guidance counselor at Hillside High School from 1991 until her retirement in 2002 and was recognized as a "Friend of Hillside High School" in 2016.

Ellis served in the Director of Development role until he was named Director of Alumni Affairs. In this, his final role at NCCU, Ellis created *The Society of Golden Eagles*. During Homecoming week, the induction to this Society is one of the highlights of the Convocation Ceremonies. It recognizes the class celebrating its 50th Class Reunion. The first class inducted was the Class of 1938, in 1988.

His love for people, his schools, his family/friends and his fraternity kept him involved in multiple activities to enrich the lives of all with whom he came in contact. One of his favorite activities each year was the Omega Talent Hunt scholarship committee. He enjoyed volunteering at the Omega House as it was being built and the famous Food Truck Saturdays. Ellis could always be found at the NCCU Football & Basketball games where he was either organizing bus trips or tailgating with friends and alumni. He served for several years as the Cookie Manager for the Girl Scout Troop at Holy Cross Catholic Church where Trecia was the top cookie seller.

Hillside High School

School Song

Lyrics by Philmore "Shorty" Hall

Verse 1

Hillside High! O Hillside High!
We cherish thee with honor.
Tho someday we're far away
We'll praise thee with our hearts
We'll be true forever to a school so dear
You will live forever
Through all eternity

CHORUS

Dear Oh Hillside how we love thee.
How we love the blue and white.
From us thy name shall ne'er depart
Ne'er will it die.

Our hearts are gleeful
Filled with joy and pride.
Your memory lingers always
Three cheers, three cheers for Hillside High.

Verse 2

Upon the hill, dear Hillside High
With courage we proclaim thee.
We, your sons and daughters too
Are always true to you.
We'll forever love thee,
Yours a lasting name.
It will be our duty to always keep your fame.
